HELPFUL POINTS TO MAKE IT EASIER WHEN MAKING A POSTFORMED BENCHTOP ORDER.

1. Draw plans to scale where possible as sizes are often missed, especially on angled tops.
2. Give outside measurements as well as internal measurements if possible and list any critical measurements.
3. Nominate where you would prefer joins. Consider for ease of transport, installation and access. If not noted, joins are usually positioned to suit economy of laminate sizes.
4. Price is based on 33mm HMR Particleboard.
5. If Laminex® Squareform™ if selected construction in 38mm HMR Particleboard with Melamine coating to bottom face. (If tops over 605mm deep price will increase)
6. If laminate is unknown at the point of quote – sheet sizes 3600 x 1500 including half and quarter sizes are used for the purpose of the quote. Beware – some brands don't have this flexibility.

PURCHASER BEWARE: Benchtops ordered in gloss finish are vulnerable to scratching and imperfections in the pressing process. Plain dark colours especially black, coffee colours and the like are also vulnerable to standard factory processing. Qualiform reserves the discretion to deem acceptability and suggest that your client is also made aware of the risk associated with there choice. Laminate: Price based on 3600*1500 sheets unless specified.
